We ask race sponsors to get to Wentworth Park prior to Race 1 and see staff located at the Race Night Office on arrival. Any additional information will be given to you by Wentworth Park staff at this point, as well as arranging a suitable meeting spot and time for your presentation. If you have any questions please do not hesitate to speak with staff in the Race Night Office. The Race Night office is located in the Grandstand on Ground Level at the Wentworth Park Road end of the complex.

Trophy

As part of your sponsorship we will supply a bottle of bubbly for your group to present to the winning handler of the named race. You are welcome to bring other novelty trophies should you wish.

Presentations:

Up to two members of the group will be permitted on the track to complete the presentation following the race. Groups are requested to be at the Presentation area, in front of the winning post immediately following the running of sponsored event.

¹ Whilst our staff screen race names, if you choose to include phrases or words that are deemed offensive by the TAB or Greyhound Racing NSW (eg a double entendre that may not be initially picked up by our staff), no monies will be refunded if the race name is cancelled or amended after your payment has been made. This is because the race vacancy is removed from sale once you book and pay for the race name.

Those completing the presentation should be adequately dressed. Persons who are not dressed appropriately or intoxicated will not be permitted to participate in the presentation. Guests are reminded that it is an offence to invade the racing surface.

Police attend each Wentworth Park race meeting and charges WILL BE laid if a patron runs on the track without permission. A fine of \$5,500 will also be issued. We do not offer any leniency with these charges or the fine.
